40 TH. BIRTHDAY BASH

To celebrate the 40 th. Anniversary of the inception of the club, an enjoyable evening was held at the Invermay Hall, on the **19 th March**, 2010 and attended by approx 80 past and present members. Some fond recollections were recounted, interesting photos and memorabilia displayed, and a few speeches were made. It was a wonderful evening, catching up with lots of old friends and faces from the days before the big DRY. Little did we know that night, that the lake would fill again so soon and soooooo quickly. Some incredible hairstyles and fashions were featured in the photos on display. What were we thinking?

One of our popular Past Commodores, Graeme Ferguson cuts the 40 th birthday cake with current Commodore, Martin Tuddenham.

NEW BUBS

Congratulations to Jamie and Lisa Bolt on the arrival of Archie, a little brother for twins, Ollie and Maddie. Ashley and Ebony Bromley also have a son, baby Campbell arriving early, but safely.

OPEN DAY AND CHRISTMAS PARTY - 12/12/10 , 10.30am

To get the season underway, to welcome and orientate new members, and to celebrate the coming Christmas, we will be having an Open Day, on the 12 th Dec. At 11.00 am there will be a short introduction to the lake, pointing out safe boating areas, regulations and underwater hazards for new and old members who wish to reacquaint themselves with the lake and its surrounds, for an enjoyable and safe summer. The jolly red fellow may be talked into paying us a visit about 1.00 pm, so please bring your family, your lunch and refreshments for a great day.

CLUBHOUSE

A huge thank you to DAD'S ARMY members, Darcy, Daryl and Herbie for their work restoring the clubhouse to its usual pristine condition, after repeated attacks by vandals reduced most of the interior to a crash scene. Soon the honour boards will be re-hung, the new kitchen fitted and the clubhouse will be filled with the sounds of the BBQ sizzling, and the excited chatter of children.

WEB SITE

Thanks to Scott Jenkins for getting our Web site organized, our domain name will be www.bsbc.com.au and soon you will be able to catch all the relevant information, news, photos etc. on our website.

ROAD CONDITIONS

Thanks to Scott Jenkins also, for contacting the relevant bodies on behalf of the Club, and getting some promises on improvements to the road along the South Shore, to and from the Clubhouse. Hopefully these will be completed shortly.

From thisto this.....

CONGRATULATIONS

Best wishes also to Brooke (daughter of Mandee and Neil Trevena) and Mark (son of Pete and Anne Byvoet), on their recent wedding. Both families have been keen skiers at Burrumbeet and Learmonth.

Engagement congratulations to Mike O'Neill and Prue Martin who will celebrate their wedding next February.

NEWSLETTER

As I will be sending out the newsletter with all the club news and info, I ask all members to do 2 things. Firstly, please e mail me any items of news, achievements, photos and information for inclusion. We hope to send out at least 4 newsletters per year. Secondly, to save the precious resources of our planet, and the finances of the club, please pass your e mail address onto me, or the secretary, so that the newsletter can be e mailed, with only a few hard copies printed, for those who are technologically challenged. glendaoneill56@hotmail.com

Some of you may still not have paid your membership fees for 2010/11, a complimentary newsletter is being sent to you in the hope that you will soon pass on your payment.

Many thanks in anticipation of your support.
