### LIFE MEMBERSHIP

Herbie and Marion Waldron were presented with their Life Memberships at the Annual Meeting, for their outstanding contribution to the Club, particularly for the maintaining of the facilities and Club outside areas.

Herbie and Marion joined the Club in the late 1970's, and have been active members ever since. Herbie joined the Committee in the late 1980's and has held the position of Commodore in 1990/91, and from 2004 to 2006. Marion was an active member of the Ladies Committee, and serving as Secretary and later as Treasurer. In those times under a family membership, both husband and wife could not both

hold office positions, so Herbie and Marion paid 2 memberships during those years.

Herbie has always loved the lake and the Club, spending his free time fishing at Burrumbeet, and like many other families his daughters Jenni and Sarah both learned to ski there.

Herbie has also been that very important visitor to the Christmas party on many occasions, though now he needs to write a list in case he forgets some of those special requests. He also loves watching and mixing with the children, seeing them having fun and watching their progress on skis. He is a regular and active member of the Club's "Dad's Army" regularly mowing the lawns, making repairs, painting, etc.

Congratulations Herbie and Marion, we are very fortunate indeed to have you in our Club.

Thanks to Judy Wilson for the photo.
